Final Designs | Have your Say

VOTE NOW

for your favourite

At the end of 2019 we worked with a local artist to consult with user groups and gather ideas for a new mural design for the front of the building.

In February we received the final designs — and now after a little delay due to coronavirus — they are ready for you to vote on which one

WELCOME AUTUMN 2020

to Park Farm ACYP Community Centre's newsletter!

Hi to everybody in Carr Mill, Clinkham Wood and Moss Bank. We hope that you are doing well, staying as safe and active as possible, and are now seeing some light at the end of what has been a very dark tunnel for our community.

It has been an unusual and stressful time and we know from talking to many of you that the impact of the coronavirus pandemic has been felt everywhere. Experiencing such a radical change to our lives—not being able to see friends and family, go to those social groups or fitness classes we love, popping to the shops as easily, and the rest—has affected us in ways that we didn't appreciate in the very beginning...

Although our return to normal will be slow, and our activities may be different in some ways, I am pleased to say that we are open to the public again. We also want to tell you a bit about what we have been doing for you during lockdown and encourage you to explore what is going on on your doorstep. If you see something of interest—or have questions—please give us a call or send an email!

Park Farm Community Social & Lunch Club

When it is a bit safer and more comfortable to be indoors in public spaces again, we want to help our older residents get out of the house more and have a lovely time each week. So, we will be launching a new Social Group for the over 60s...

Meet new friends, play games, have fun and eat together!

AFTERSCHOOL CLUB

During Lockdown we took our After School Club online. Setting challenges and starting conversations with children and families, through our Facebook page.

We look forward to welcoming After School Club back to the Centre for more fun activities from September. Give us a call for more information!

IN FOCUS

WELCOME BACK!

We are now open!

From Monday 6th July we have been gradually welcoming our groups back.

Following government guidelines we have been busy putting measures in place to make it safer for you to return - including social distancing, hand sanitising stations, advice and guidance.

CORONAVIRUS

How did we help?

Community

During the coronavirus lockdown, we responded by offering 359 emergency food parcels to the most vulnerable people in our community. With extra financial support from LCR Cares and The Steve Morgan Foundation, and an amazing team of volunteers, we were able to help a total of 113 people over an 8-week period! #sthelentogether

Teamwork

HIGHLIGHT

It was Volunteers' Week in June. We celebrated by showcasing some local people who help us do what we do! Laura joined us in March 2019, and helps promote our centre activities, supports us in the office and contributes some great ideas. A big thank you to Laura for all of her ongoing support! You are a star!

Thankyou!

To all our lovely volunteers who helped make it happen!
